Commissioner for Patents  
P.O. Box 1450, Alexandria, VA 22313-1450

Sir:

This is in reference to a Decision on Petition under 37 CFR 1.137(b) mailed on September 6, 2006. The Decision states that a petition under 37 CFR(b) must be accompanied by (1) a statement that the entire delay in filing the required reply from the due date for the until the filing of a grantable petition was unintentional, (2) a proposed response, (3) the petition fee required by law (37 CFR 1.17(m)), and (4) a terminal disclaimer and fee (if the international application was filed prior to June 8, 1995).

The Decision continues that items (2), (3) and (4) have been satisfied. The basic national fee and petition fee have been paid. A terminal disclaimer is not required since the application was filed after June 8, 1995.

Applicants appreciate the fact that the items (2), (3) and (4) have been satisfied.

The Decision further asserts that item (1) has not been satisfied and that the applicant must state or literally mean "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

Applicants enclose the Renewed Petition for Revival of Application for Patent Abandoned Unintentionally under 37 CFR 1.137(b) including the required statement.

The Decision continues that the applicants have supplied a declaration in a language other than English, but it is not on an approved USPTO form and is not accompanied by a statement that the English text is an accurate translation of the foreign language text. A statement under 37 CFR 1.69 or a new oath or declaration of the inventors in compliance with 37 CFR 1.69 and 37 CFR 1.49 is required.

Applicants enclose the statement under 37 CFR 1.69

Revival of the application is respectfully requested.

Respectfully submitted
